GMHA POLICIES & RULES

In the interest of the safety, health and consideration of all GMHA members and our neighbors please help us by familiarizing yourself and observing the following rules and policies.

NO SMOKING POLICY:

GMHA grounds and facilities are off limit to smokers. You may smoke in your vehicles.

NO FIRE POLICY

No fires anywhere on the grounds – including grills, hibachis, or bonfires. Management and concessions may oversee bar-b-ques.

HELMET POLICY:

GMHA requires all riders to wear helmets that are equal to or surpass the current ASTM/SEI standards with harness secured while riding anywhere on GMHA grounds or trails.

COGGINS:

For the Safety of all, GMHA requires proof of negative coggins within *12 months* for all horses entering the grounds. NO horse will be allowed on grounds without this document. GMHA no longer requires proof or rabies vaccination for horses entering GMHA grounds, although we do strongly recommend that you vaccinate your horse against rabies. We also recommend that you be aware of state policies regarding the requirement for a current health certificate when traveling across state lines.

DIRTY STALLS:

Those who leave behind dirty stalls will be billed \$50.00. A clean stall is one that has been cleaned of all manure and shavings that can be removed using a manure fork. GMHA provides wheelbarrows, we do not provide brooms. Please rake your stall area all the way out to the railing and put manure in designated areas.

STALL INFORMATION CARDS:

We require all individuals stabling a horse at GMHA to complete in full and post a stall information card. Cards are available from the GMHA office. These cards contain emergency information for your horse's well being!

DOG POLICY:

All dogs on GMHA grounds must be leashed, in hand and under control, or confined (crated or kenneled) at all times. Loose dogs may be impounded and offenders fined \$30 per occurrence. Dogs (even on leashes) may be excluded from certain grounds areas during certain events.

TRASH & RECYCLABLES:

Please help us keep GMHA looking great! Toss trash in garbage cans provided around the facility. Please take your recyclable cans and bottles home!
