

GMHA Full Cheek Café Credit Form Information

Hello Riders, Competitors, Fans, Friends and People who love to eat food---

Often during your weekend at GMHA you may find yourself without pockets for money or plastic, and having a house charge show account will make it easier for you to move about the show grounds and grab a refreshing drink or bite to eat.

If you would like to open an account, we are attaching the form needed – just to save you time, but will also have forms at the café if you choose to do it later.

Any and all accounts must be opened at the café, directly with café staff, and not with the show secretary or office staff. This ensures that your information has been registered at the café and your account activated.

We look forward to making your stay at GMHA fun, easy and satisfying!!!!

Thank you from all of us at GMHA for your help in serving you.

For your convenience you may open a show-tab house account for your Café purchases. You MUST do this with the CAFÉ Staff at the Café and not the Show Office Staff. Please take a moment to fill out the appropriate form and drop it off at the Café. Thank you for your understanding.
